

Grays Harbor 10 Year Plan to End Homelessness 2017 Work Plan Priorities

Read the complete plan at: www.healthygh.org/directory/housing

Fully develop Coordinated Entry system

- Build robust resource list
- Expand community outreach to increase use of Coordinated Entry as point of access
- Review data for continuous quality improvement

Maintain and Expand Affordable Housing Resources

- Gaps analysis for existing rental properties
- Investigate potential for rehabilitating local foreclosures
- Complete Housing Inventory for USDA

Invest in Housing for Vulnerable Populations

- Conduct "street survey"
- Develop network of volunteers to respond to community needs
- Develop proposal for funding by end of 2017

Build Capacity of Housing System

- USDA Technical Assistance, Training, and Coaching on Evidence Based Practices

Increase Community Awareness and Discussion

- Communications plan and materials for a wide variety of audiences
