

LENKA CECH

CNM, MSN, BSN, RN

Meet our clinician Lenka!

Lenka is a Certified Nurse Midwife (CNM) who graduated from University of Colorado College of Nursing with her MSN in 2015.

Lenka is very passionate about her work and enjoys working with diverse people. She recently moved to Washington to be closer to the ocean, to enjoy different scenery and to eat more seafood. She speaks English, Czech and medical Spanish.

Lenka approaches all people with gentle, holistic and trauma informed care. Outside of work, she likes to garden, cook, read, hike, travel and spent time with her large family of three boys, husband and lots of furry animals.
